Getting Connected

At the heart of BCC are Life groups, Life communities and Celebration – our small, medium and large sized gathering places.

Life Groups - typically around 8-12 people who meet during the week for support and encouragement, applying the teaching of the Bible to their everyday lives and to grow in their Christian faith – they are a great place to make and meet new friends.

Life Communities - these are like our extended family, so they are usually between 15 and 50 people. They share a common missional vision and are a great place to build community and grow in our gifts and service. Their shared vision could be based around a people group, geographical area or ministry/interest.

Celebration – is our weekly Sunday big gathering where we come together to meet in worship, story and relevant life teaching from the Bible.

Cap Awareness session takes place tomorrow here at LifeCentre at 7pm. This session is for those who spoke to Freddie & Pete last week and Life Community leaders who want to know more.
